

# RhinoWare® Door Barricades

Campus safety is a top concern for school administrators and parents alike. Protect students in classrooms from dangerous scenarios with the **RhinoWare Door Barricade**.

- » Easy enough for a 4-year-old to engage
- » Strong enough to withstand several tons of force
- » Sends real-time alerts to your administrative office and first responders, getting critical help on campus FAST

See how fast the RhinoWare Door Barricade can be activated in this 5-second video <https://bit.ly/2tHz8dm>.

Patent # US 10,214,948 B2
